

IF YOUR MOBILE COMPUTER ISN'T LEADING EDGE, YOU'RE LAGGING BEHIND.

What good is a mobile device if its technology hinders your ability to perform, collaborate and make decisions? Time to upgrade your mobile device with our next-generation solutions that keep you current and ahead of business demands.

Get ahead. Contact us today.

EXCHANGE OLD MOBILE DEVICES FOR NEW POSSIBILITIES.

Business demands maximizing productivity while minimizing expenditures. Have it both ways. With our on-going GO Mobile Trade-in Program, you can heighten efficiencies, not costs.

Simply trade-in any outdated mobile device that has a display equal to or greater than 2" including models from Motorola Solutions, Symbol, Telxon and comparable manufacturer's brand. For every mobile device traded in, you can receive up to \$200 in return when you purchase one of the cutting-edge mobile computers featured below. There's no limit to the savings you can gain or the quantity of units you can recycle. With the return shipping paid by Zebra, you can think big and trust we'll properly dispose of them all.

PROGRAM ELIGIBILITY

1. This offer is being made from Zebra Technologies to end users in the form of a rebate for purchases made between June 1, 2015 and December 31, 2015.
2. The Program applies to new purchases of qualifying mobile computers. End users must purchase qualifying mobile computers from an Authorized PartnerEmpower™ Channel Partner ("Reseller").
3. The Program website at www.zebra.com/gomobile sets forth the rebate amount associated with the purchase of each qualifying mobile computer.
4. Any manufactures' brand or model of mobile handheld device with a display equal to or greater than 2" is eligible for traded-in, including Zebra, Motorola, Psion, Symbol and Telxon.
5. The end user cannot combine this offer with special pricing ("Price Exception") provided by Zebra to the Reseller as part of the same transaction. It is the responsibility of end users to verify with their Resellers no such Price Exception existed.
6. Rebate claims must be completed online and eligible trade-in mobile devices must be received by Zebra no later than 90 days from the date of your invoice.
7. Rebates will be issued for each trade-in mobile device, one-for-one, based on the number of mobile computers purchased.
8. The end user may choose to utilize the Program more than one time.
9. Zebra reserves the right to change, cancel, modify or end the Program at any time.

Visit www.zebra.com/gomobile for the complete Official Rules of this Program.
