Comprehensive Solutions for Point of Sale
QuickBooks Edition

Retailer In-a-Box | Point of Sale is a turnkey solution that combines the top of the line rPOS system from HP and Intuit's easy to use QuickBooks Point of Sale Pro software. With the Point of Sale software pre-loaded and the hardware pre-configured, retailers may:

- Manage inventory with real-time data
- Personalize customer service and track loyalty
- Easily accept and implement credit/debit cards and set up merchant services
- Make smarter business decisions with up-to-date, insightful reports

This complete Point of Sale bundle is easy to implement and allows retailers to quickly and easily begin ringing up sales!

Retailer In-a-Box | Point of Sale is available exclusively at BlueStar!
