

**Cost-effective and Durable
Cash Drawer**

BC SERIES

The BIXOLON Cash Drawer, BC Series, increases the effectiveness of your workstation with the features, such as durable design, high security locking and mounting bracket. The BC Series integrates easily into a variety of counter applications. The removable till allows moneys to be removed from the sales floor to a more secure location for counting and creating bank deposits. The versatile models are available with a wide range of bill grip, style, color, interface and till cover options to meet your specific requirements.
