Genesis by ENS gives you:

FLEXIBILITY

Genesis is used for mounting tablets, monitors or payment terminal devices to provide you a single mounting solution for multiple technologies and applications throughout your store.

ENHANCED CUSTOMER EXPERIENCE

Genesis features tilt range from 10° to 160°, swivel range of 300° of rotation and the ability to adjust the device screen from portrait to landscape display.

CLEAN, SLEEK DESIGN

Equipment cables are hidden inside the stand with a cable raceway designed to allow cables an exit point to connect to the device.

SECURITY OPTIONS

Choose from direct mount, locking, security screws, or quick release options. Additionally, you can mount the stand to the counter with either screws or a glue pad.

INCREASED BRAND AWARENESS

Customize the color of your Genesis stand to blend it seamlessly into your retail interior.

EASY INSTALLATION

Genesis surface mounting patterns are the same as other ENS swivel stands for easy installation.

**LET ENS
SOLVE IT
FOR YOU.**

Can't find exactly what you're looking for? Trust ENS to solve your most difficult technology mounting problem. When you partner with our team of experts we work with you through our simple four step process to **Discover, Design, Develop and Deliver** a solution for you on time and within your budget.
