

HP TX1 POS Solution

Take your business to the next level in a few short steps with all the hardware you need in one box—an uncompromising 10-inch diagonal tablet PC, stand, USB hub, and the essential accessories to complete transactions.

Business made easy.

Run your entire business—from the counter to the back office—with a tablet and accessory bundle that's quick to set up and easy to use.

Productivity that matters.

Enjoy Windows 8.1** support for third-party POS applications and your basic back office tasks.

Tilt, turn, and sign.

Place the tablet upright in the sturdy stand to make it easy for users to interact with the tablet and customers to sign the screen. At the end of the day, you can remove the tablet to take it home and work on back office and management activities.

Get down to business.

Be confident that all of your hardware is backed by a limited HP warranty

HP Pro Pad 600 G1

Make checkouts quick and easy and behind-the-scenes management a breeze with the HP ProPad 600 G1, a Windows 8.1** 10-inch diagonal tablet PC powered by Intel® and retail-ready with a Corning® Gorilla® Glass touchscreen display that stands up to steady use.

Tablet Stand

Use the stand's magnet base for easy positioning around your business—on a counter, on top of a cash drawer, or use the mounting holes for more permanent placement. Securely lock the tablet in the stand with a thumb screw or optional security lock.

Place the tablet upright in the sturdy stand to make it easy for users to interact with the tablet, and customers to sign the screen. At the end of the day, you can pop the tablet out to take it home and work on back office and management activities.

Standard Duty Cash Drawer

Check customers out quickly and store cash, coupons, and checks securely inside the included sturdy cash drawer that's great for a range of settings.

Receipt Printer

Get customers on their way quickly with a receipt printer that prints receipts, coupons, special offers, and more.

- Simply connect the printer, add paper, and you're ready to go. Add a logo to your receipt or print special offers and coupons with integrated 2 MB Flash memory.
- Place the compact printer where you need it with the assurance that the steel internal frame will withstand the everyday wear and tear of retail environments.

Magnetic Stripe Reader

Accept credit cards (select regions), loyalty and gift cards, and enable cashier ID card logins with the included Magnetic Stripe Reader.³

USB Hub

Connect your tablet and up to four peripherals through the included USB hub.

- Transfers data at speeds of up to 480Mbps
- Turns a single USB port into 4 USB 2.0 ports
- Connects high-, full-, or low-speed devices
- Installs with Plug-and-Play ease-requires no software
- Interface: USB 2.0
- Ports: 4x USB 2.0 Ports

Enhanced Protection

Keep your business running smoothly and productive with enhanced protection. Microsoft® Defender[®] provides enhanced protection against virus attacks and other threats, while a software-based TPM[®] solution protects against identity theft and certificate-based hacks.
