Lightweight, Cordless AC Power ANYWHERE You Need It!
www.newcastlesys.com/powerpack-ultra-series-intro

The **NEW PowerPack 1.8 Portable Power System** provides quiet, seamless AC power for 6–8+ hours at a time. This lightweight, compact unit is ideal for powering a laptop or small barcode printer. At the end of use, simply plug the unit into a standard wall outlet to recharge. Eliminate the need for hazardous extension cords.

Features Include:

- Compact 10" x 9" footprint
- Highly portable and lightweight – only 24 lbs.
- Integrated power outlet
- Visual and audible low voltage alert
- Easy grip side handles

Typical PowerPack Series Applications

Non-powered equipment carts in warehouse or retail floor • Remote display areas • Areas where power is not available such as far corners of the warehouse, loading dock, remote storage areas and much more.

Visual and audible
low voltage alert

Powers small printer for 6-8+ hours
(dependent on number of labels printed)

Easy grip side handles
for true portability
