

PM-15BZ PCT TOUCH MONITOR

The PM-15 BZ PCT monitor offers the future leading touch technology “Projected Capacitive Touch” and has an impressive resolution of 1024 x 768. With its bezel free, slim dimensions and elegant design it completes perfectly in the 15” POS monitor range of Partner Tech.

Its „On Screen Display” (OSD) simplifies working processes and also contributes to its ease of use. Optional integrated loudspeakers make this monitor ideal for multimedia applications as well.

The adjustable monitor of the PM-15BZ PCT can be perfectly adjusted for an ideal angle of view, making it extremely practical. By removing the stand, the VESA mount allows flexible integration into checkout solutions.
