

All In One POS Terminal

PT-6215

The PT-6215 All-In-One POS Terminal is the complete solution for small to medium businesses. Designed from the ground up by Partner Tech to be an affordable and easy to use terminal for today's business owner, the PT-6215 offers a system of fully integrated features that make it the only true All-In-One POS terminal on the market. The compact, space saving design of the terminal features an integrated thermal receipt printer, customer display, large 15" touch screen, and an integrated MSR reader. All of these features packed into a compact terminal allows for space saving reliability in any environment.
