**About Posiflex**  
 Established in 1984, Posiflex is recognized as a leading provider of innovative Point-of-Service (POS) hardware and platform technology used in diverse markets. Posiflex partners with applications software developers to provide reliable POS terminal systems to the hospitality, healthcare, medical, retail, and specialized markets. The Company's products are sold through industry specialists, value-added resellers and distributors. All products are designed and manufactured in Taipei, Taiwan in two ISO 9001 / 9002 / 14001 certified laboratories and factories. Posiflex USA is located just north of the Silicon Valley, in Hayward, California. For additional information on Posiflex and its diverse product line, visit [www.posiflexusa.com](http://www.posiflexusa.com) or call 888.968.1668
