 - Removable battery for 2x longer tablet power
 - 2D scanner
- Encryption Capable 3 Track MSR
- Docking Station with built-in wireless 3" thermal printer, 200mm/sec print speed
- EMV bracket (for PAXD200)

Hybrid Fixed and Mobile POS

All-in-One Compact POS with Mobile Freedom

Posiflex has bridged the fixed terminal / mobile gap with the innovative award-winning MT4300 system. This hybrid Windows 10 IoT driven system takes an aluminum diecast, multifunction tablet and transforms it into a complete, compact, all-in-one POS system.

An optional pistol grip with barcode scanner can be added for additional battery life and functionality. The pistol grip and tablet — or the tablet only — can be set in the optional docking station to create a fixed terminal or kiosk. This hybrid solution completely bridges the high standards of fixed terminals with the flexibility of being mobile as your business requires.

* Windows 10 only

About Posiflex

- Designer and manufacturer of Point-of-Service and industrial touch terminals
- Revolutionary technology, reliable quality, reasonable pricing and recognized service
- Delivers reliable terminals for maximum uptime and lower total cost of ownership
- Comprehensive suite of peripherals and services
- Innovative excellence since 1984 with more than 30 patents for innovation
- Global presence
- Two ISO 9001/9002/14001 Certified Facilities
