WS 300 Light Capacity Platform Scales

Features

WS 300 light capacity platform scales provide a low cost solution for general purpose weighing of any item up to 300 kg capacity.

With 1 part in 6000 resolution these platform scales give a weighing performance of 300 kg x 50 g.

These well designed low profile machines incorporate four full load bridge loadcells with self levelling, anti-slip feet to give a solid base in use.

The generous size weigh platforms are available in either WS 300-50 (550 mm x 550 mm) or WS 300-90 (900 mm x 550 mm). The WS 300-90 comes with a green rubber mat. WS 300 have a tough, mild steel understructure and a stainless steel top.

5 metres of cable connects the base to the stainless steel indicator pod which features clear 17 mm high LCD display digits. A plastic display pod bracket is included to enable the indicator to be wall or bench mounted.

Key display features are: on/off, push button tare to enable container weights to be removed and net weight only displayed; kg/lb switching to give readings in either metric or imperial measures and hold/print, which allows the weight to be either frozen even when the item being weighed is removed or the weight to be transmitted to a printer or other peripheral device.

The scales feature auto zero tracking to automatically compensate for small fluctuations in zero such as a build up of material on the platform.

To extend battery life an auto-off feature is standard, with the scale switching itself off after 2 minutes of inactivity.

Specifications

Capacity: 300 kg x 50 g

Power: 4 x 1.5 volt AAA batteries (not supplied)
6 volt UK/EU power adaptor (supplied)

Platform Dimension:
WS 300–50:   550 mm x 550 mm x 60 mm
WS 300–90:   900 mm x 550 mm x 60 mm

Display Pod: Stainless steel housing

Display Pod Size: 160 mm x 80 mm x 30 mm

Display: 5 ½ digit, 17 mm high, LCD

Function Keys: On/off; tare; kg/lb; hold/print

Annunciators: Zero; net; hold; kg/lb

Tare: 100% subtractive

Operating Temperature: +5° C to + 40° C

Approvals:
CE
WEEE directive

Product Code:
WS 300-50:   816965003754
WS 300-90:   816965003761

Unit Weight:
WS 300-50:   15 kg
WS 300-90:   17 kg

Packing Dimension:
WS 300-50:   690 mm x 690 mm x 140 mm
WS 300-90:   1030 mm x 690 mm x 140 mm

Packed Weight:
WS 300-50:   17 kg
WS 300-90:   19 kg
