55" Interactive Commercial LED Display

Durable and Reliable Design for 24/7 Use

CDP5560-TL

Equipped with 6-point multi-touch functionality, the ViewSonic® CDP5560-TL is the ideal commercial display for providing interactive information in indoor areas such as high-traffic transportation settings, as well as in hospitality, and commercial venues. Featuring a rugged, durable design that includes heat monitoring protection and a screen saver feature, this 55" display is designed for heavy usage 24 hours a day, 7 days a week. With Full HD resolution, narrow bezels, and support for up to a 5x5 daisy chain installation, the CDP5560-TL is optimized for stunning video walls.

Key Features:

6-point simultaneous touch technology for interactive messaging

OPS slot compatibility provides easy connectivity to an integrated media player

24/7 continuous operation and 50,000-hour lifespan*

RS232 in/out with IR pass-through and internal scheduler for easy management

**Efficient, user-friendly content scheduling interface**

Designed for:

Transportation

Wayfinding

Retail/POS-ready

Hospitality

Business
