50" ePoster Digital Kiosk

Free-standing Display Solution for Customized Messaging

EP5012-L

The ViewSonic® EP5012-L is a 50" all-in-one ePoster digital kiosk with a sleek, free-standing design. Great for grabbing attention in busy, high-traffic areas, the EP5012-L features a scratch-proof tempered glass faceplate for added durability. With embedded Linux, the EP5012-L delivers easy application integration and enables users to deliver more customized messaging to their audience. Featuring Full HD resolution, SuperClear® image enhancement technology with wide viewing angles, and dual integrated stereo speakers, the EP5012-L delivers customized multimedia messaging with vivid clarity.
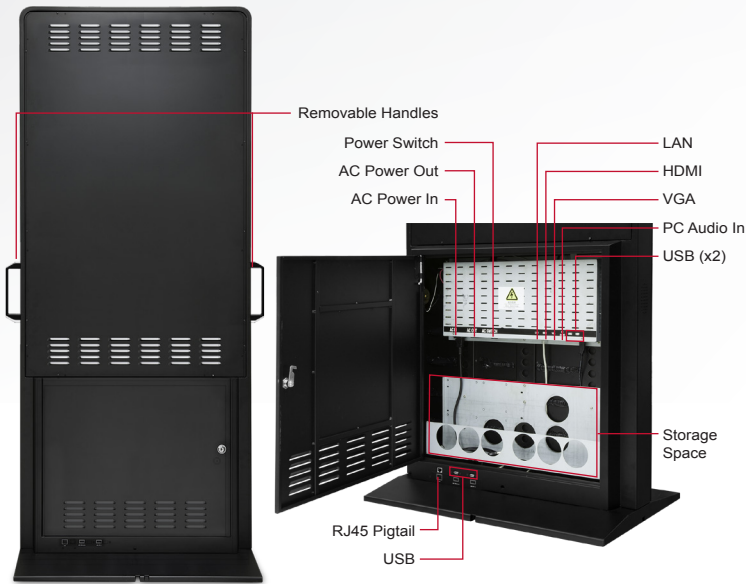

Key Features:

Easy to move all-in-one display solution

Embedded Linux enables implementation of customized messaging applications

8GB internal memory and integrated media player for playback of photos and videos

Bundled ePoster Manager Express software for easy content loading and scheduling

Efficient, user-friendly content scheduling interface

HDMI, D-sub, USB (x2), and LAN connections provide network connectivity

Designed for:

Retail advertising

Wayfinding

Hospitality
