

ViewPad[®] 7

7" Tablet

VPAD7

It's all about YOU.

The new ViewSonic[®] ViewPad[®] 7 with Android 2.2 OS, 802.11 b/g, Bluetooth[®], 3G ready, front and rear cameras, brings the world to your fingertips. Ultra lightweight design, smooth edges, thin profile and intuitive controls fit right in your hand. 7" multi-touch screen instantly connects to more than 200,000 apps with Google[®] Mobile Services. So you can access Gmail, Google Maps, while watching YouTube or reading digital book from Aldiko. For constantly on-the-go professionals, Document-To-Go makes it easy to view and edit Word, Excel, PowerPoint and see PDF files. The ViewPad 7 lets you get instantly updated on world events, chat with friends, and connect with the digital world, anywhere, anytime.

Android 2.2* OS with Google Mobile Services (GMS)

Access Android Google Mobile Services and Google Marketplace for YouTube, Gmail, Voice search and more. Then click on Google Marketplace for thousands of apps/games to experience the full excitement of Android. Fast access and an intuitive interface will have you multitasking with ease.

Connectivity for the Masses

With built in Wi-Fi, Bluetooth and 3G ready, the ViewPad 7 is ready to keep you connected.

VPAD7

It's all about YOU.

Work on the Road

The speech-to-text feature captures information audibly so you can get more done. For constantly on-the-go professionals, the Document-To-Go feature lets you upload and edit Word, Excel or PowerPoint, with viewing support for PDF files.

Lightweight, but Packed with Features

The slim design is a perfect fit with your lifestyle and on the go. While the 7" LCD screen gives you plenty of viewing room and has front and rear cameras built in.

So go ahead: work on a spreadsheet, view a video or surf the Web. With the integrated GPS/A-GPS functionality with Google Maps, ViewPad 7 makes it easy to identify points of interest and create personal maps from anywhere.
