

WWS500

CORDLESS SCANNER

Big Business Tools. Small Business Attitude.

The Wasp WWS500 Freedom Scanner is a lightweight, easy-to-use cordless barcode scanner that is ideal for retailers, light warehouse and distribution centers, office or mobile environments.

Simply plug the Bluetooth USB adapter into an available USB slot of a PC. The WWS500 is ready to scan barcodes using Bluetooth wireless connectivity up to 160' away from the PC.

An integrated, rechargeable battery provides exceptionally long scan life on a single charge with over 25,000 continuous scans. There is an out of range indicator and low battery warning. The CCD LR scan engine scans all popular linear (1D) barcodes with a scan range up to 12" away from the barcode.

WASP WWS500 FEATURES & BENEFITS

- ▶ Linear CCD LR Scan Engine
 - Scan barcodes up to 12" away from barcode
- ▶ Lightweight Design with Integrated Battery
 - Rechargeable Lithium-ion battery integrated in handle
 - Low battery charge warning light
 - Extremely long battery life (over 25,000 continuous scans on single charge)
- ▶ Bluetooth Wireless Connectivity
 - Class 1 Bluetooth for up to 160' range (line of sight)
 - Includes USB Bluetooth adapter that plugs into PC
 - Out of range alert when scanning
- ▶ Provides the freedom to scan barcodes without a cable
 - Up to 160' away from PC or Bluetooth enabled mobile device
- ▶ Lightweight and durable ABS plastic housing
 - Ergonomic and comfortable yet withstand drop to concrete from 5'
- ▶ Increased accuracy and efficiency of data input compared to manual data entry processes

COMMON USES

- ▶ Check out at retail stores
 - Easily & quickly scan small or bulky items at hardware stores, nursery stores, supermarkets, general retail
- ▶ Shipping & receiving
 - Conveniently scan items in warehouse, distribution centers, manufacturing
- ▶ Document scanning
 - Rapidly input barcodes on invoices, shipping documents, or legal documents into Excel or business applications
- ▶ Pharmacy & healthcare
 - Use to quickly scan barcodes used for drug dispersement, or patient tracking
- ▶ Libraries and tool rooms
 - Ideal to scan barcodes on library books or tools for in/out tracking
