Barcodes, Inc. and Zebra Technologies have partnered with NY OGS to provide end-to-end modernization strategies that enhance the public sector with:

1. Pre-negotiated pricing eliminates extraneous bidding process
2. Faster delivery of products due to contract-negotiated stocking inventory
3. Knowledgeable expertise accelerates procurement and deployment
4. Greater device variety thanks to Zebra's extensive hardware portfolio
5. AT&T FirstNet certified tablets and mobile devices
6. Assisted software implementation
7. Fortified Android OS for secured data sharing and reporting
